The image shows a template for an Easter card. The background is a light orange color with scattered confetti in shades of pink, purple, and black. A white rectangular box with rounded corners and a thin orange border is centered on the page. Inside this box, the text "NESTA PÁSCOA" is written in a bold, blue, sans-serif font. Below it, the phrase "desejo a você..." is written in a blue, cursive script font. The card template includes dashed lines indicating where to fold, with one line above the text box and another below it. The bottom edge of the card is slightly tapered.
